# Who is Lippenbekenntnisse?

My name is Rebecca, I'm 35 and live in Munich, Germany. My main job is in online performance marketing, part-time I'm a sexblogger.

When I was looking for a toy for myself, I couldn't find a review that told me what I wanted to know. So I decided to make it better and start my own blog.

All reviews are based on personal hands-on tests and are written by myself.

# What is Lippenbekenntnisse?

19. August 2017 was lippenbekenntnisse.de's birthday. By now there are 185 articles. On Instagram there are more than 900 posts and more than 2.100 followers.

Topics such as oralsex or tips for better orgasms, event reports, book-reviews and above all toy reviews – Lippenbekenntnisse is about everything that makes peoples' lovelife better and more exciting.

My reviews are – to be independent – priceless. Test products are very welcome, yet reviews will always be honest and cannot be bought.
